Apologies :

None

1. WELCOME

General greetings

2. CONFIRMATION OF MINUTES

Minutes of the meeting of the 7th of April are confirmed.

3. GOALS

- Determine what will be done for beta deployment the following week
- Update each member on each component of the project
-

4. DECISION TAKEN AND UPDATES

- The UI will be further refined for user-friendliness
- Icons will be designed for the UI
- PCA and Admixture customization will begin and will be completed once graph embedding is completed
- Saving/loading will be completed in tandem with graph customization
