1. WELCOME

General greetings

2. CONFIRMATION OF MINUTES

Minutes of the meeting of the 5th are confirmed.

3. DECISION TAKEN AND UPDATES

- The group is now named “The Lads” and the project is referred to as Genesis 2.0
- Logo is done
- Framework and design are considered individual part of the project and as such won't be discussed until the next milestone when we start building the prototype
- The assignment of task remains in overall the same
- The team will be following the Agile methodology for software development
- Setup repository and any necessities dependencies
- Split the requirements into functional and non-functional, mandatory and secondary.

4. POSSIBLE REVISIONS AND ALTERATIONS OF GENESIS
