1. WELCOME

General greetings

2. CONFIRMATION OF MINUTES

Minutes of the meeting of the 6th of April are confirmed.

3. GOALS

- Discuss all work done over the course of the weekend
- Further emphasize the need of keeping the Git Repository up-to-date as some members had not committed their work over the weekend
- Respond to feedback given during status report meeting with project owner

4. DECISION TAKEN AND UPDATES

- PCA graphing is working and waiting for UI update and need to start importing file
- ADMIX functions now graph input correctly and is also waiting for a UI update so that customization can be implemented.
- UI Mock up almost done
- All group members are to comment their code and ensure that it is logically structured
